The DepEd and Nestlé Wellness Campus Program (the "Program") is a partnership between the Department of Education (DepEd) and Nestlé Philippines, Inc. (NPI) and will be implemented by Greatfil Team, Inc. (GTI).

The Program will be implemented through the participating DepEd Regional Offices who will appoint the Division Supervisors or other DepEd officials to ensure that the Program will be implemented in

all schools in their respective divisions in both elementary and high school levels. Division Supervisors or those appointed by the DepEd Regional Office in coordination with the Division Office will also be the contact persons in their respective divisions.

The S.Y. 2024-2025 Program implementation will give more emphasis on developing the students and parents' healthier habits through nutrition education, physical activity, and solid waste management. The Nestlé Wellness Campus Facebook Communities will serve as a platform for inter-school competitions, a repository of modules, music, and videos, and a space for parents and teachers to share wellness ideas and practices. Additionally, webinars, cooking demos, and Nestlé-sponsored activities will be conducted on these digital platforms.

The implementation of the Program will be in three (3) parts, as follows:

Part 1: NUTRITION EDUCATION FOR ELEMENTARY, JUNIOR HIGH SCHOOL STUDENTS AND ADULTS (Teachers and Parents) IN ALL PUBLIC SCHOOLS IN THE EIGHT (8) PARTICIPATING REGIONS.

1. NPI, in collaboration with GTI, will provide modules in the form of video content. These videos are encouraged to be integrated into the Elementary and High School MAPEH curriculum, in accordance with DepEd rules and regulations.
2. Video modules will also be made available for parents, which can be utilized during PTA meetings or other face to face sessions in school. These modules aim to educate parents about the significance of good nutrition, maintaining a balanced diet, and understanding food labels.
3. Worksheets and activities are provided for students and/or parents to read and work on together, either at home or in the classrooms whenever feasible.
4. To ensure smooth program implementation, NPI, through GTI, will provide soft copies of the following materials to both division supervisors and MAPEH school coordinators:
 1. Lesson guides
 2. Videos of the modules
 3. Worksheets
 4. Contest Mechanics
5. For faster distribution, they may also get a copy of the materials through the GTI representatives.
