Dear Dir. Allan,

Good day!

I hope this message finds you well.

I'm Vincent Du, Business Development Executive at **IDP Education**, proudly supporting students and institutions across the Visayas and Mindanao. IDP is a global leader in international education services, partnering with over 800 institutions in Australia, Canada, New Zealand, the UK, Ireland, and the US to help students achieve their study abroad goals—with expert guidance and support funded by the institutions we represent.

While my current focus is on student placement, IDP is also a co-owner of **IELTS**, the world's most trusted English proficiency test—accepted by over 12,000 organizations globally, including more than 3,400 institutions in the United States. We also offer **Envoy**, an AI-powered, CEFR-aligned English proficiency test that delivers results in just two hours.

We're excited to share that one of our key partners, **The Australian National University (ANU)**, is offering **free virtual counselling sessions via Zoom** for students—and potentially faculty and staff—interested in undergraduate, postgraduate, or doctoral studies. These sessions will be led by the Regional Manager for International and Future Students (Southeast Asia).
